

## **Samples**

All the files needed for the sample are found in the  
\$ELIXIR\_REPORT\_HOME\samples

### Start-up Hypersonic Database Engine

-----

Database engine can be start up two ways.  
At the Start Menu and Program Files

\$ELIXIR\_REPORT\_HOME\samples\database\start-hsql.bat

-OR-

Start Menu > Programs > Elixir Report Professional 5 >  
Database > start-hsql.bat

### Report Samples

-----

Templates, datasource and images are found in :-  
\$ELIXIR\_REPORT\_HOME\ext\ReportSamples.jar

For modification of sample files,  
Unzip ReportSamples.jar to a local directory  
In Elixir Report Repository, remove ReportSamples  
Add a new Local File System and map it to :-  
<local directory>\ReportSamples
